

Making Communication Effective for People with Learning Disabilities

This course is for any one working with people with learning disabilities who wants to improve their communication skills when supporting a person with learning disabilities. .

On this course you explore sensory resources that would be suitable to use in a sensory story for people with PMLD. As part of the course you will write and perform a sensory story.

Learning Outcomes

- Identify the different types of communication that people with LD use
- Develop strategies for effective communication
- Adapt information to make it accessible for people with LD
- Discuss how to reduce the barriers to communication

The course can either be booked as INSET or as part of our open workshops. This is a half day course which is run over 2 $\frac{1}{2}$ hours.
